## My Milton Keynes

### Milton Keynes Academy Year 7 exhibition

#### Hello and welcome to our Year 7 exhibition.

If you look around you can see all the work that we have presented on Milton Keynes.

We have written about some of the estates that we live in, some interesting facts about Milton Keynes, and some places that are important to us.

We have some photos of where we live and objects that are linked to us and Milton Keynes in some way. Also some of us did interviews with family members and friends to find out what it was like when they set up home in Milton Keynes.

Thank you for coming, hope you all enjoy the exhibition and that you learn a lot about Milton Keynes.

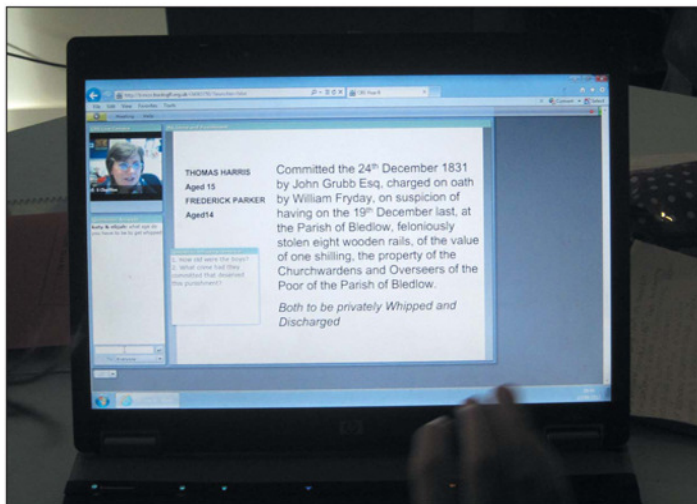

**By Summer and students from Year 7  
Milton Keynes Academy.**

*We explored artefacts from Milton Keynes Museum*

*We wrote and researched the exhibition*

*We took part in a 'Virtual Classroom' with Bucks County Archive*

#### **Acknowledgements**
