My Milton Keynes

Milton Keynes Bowl

The Milton Keynes Bowl was a former clay pit used for brick-making. It was opened in 1979. The rock band Queen made a CD in 1982 dedicated to their appearance at the Bowl. Other artists inspired to record by their visit to the Bowl include 'The Prodigy'. The venue has a 65,000 capacity. It has also hosted world famous artists such as Michael Jackson, Bon Jovi, David Bowie, Robbie Williams, Eminem and more.

There have been many memorable moments at the MK Bowl. Fun for all the family in a very different way.
