There is a lot of sporting activity in Milton Keynes. MK Dons are the local football club. MK Lions are the local basketball team. The local hockey team is called MK Lightning. There is also a local athletics team. Olympic gold medallist long jumper Greg Rutherford trained in Milton Keynes. He started as a sprinter, taking part in athletics at Stantonbury.

He used to be a student at Two Mile Ash primary school. The head teacher Shirley Townsend said: *"I just want to let the people of Milton Keynes – especially Greg and his family – know that plans are well under way for Greg's achievements to be recognised in at least one area."*

"What he achieved at London 2012, and how he has conducted himself since, fills me with so much pride and I for one cannot wait to celebrate with all the staff and children at Two Mile Ash."

A popular place for sport is the Xscape which has a snow dome for skiing and snowboarding. It is located in Central Milton Keynes.

I am a member of Milton Keynes Athletics Club.
