

stadium:mk

The stadium is a 22,000 all-seated arena; it complies with UEFA's Elite Stadium specifications and is the first in the UK to feature a top loaded 360° open concourse. It was officially opened in November 2007 by the Queen.

It is the home of the Milton Keynes Dons Football Club and hosted its first game on 18th July 2007 with a match against Chelsea XI, the home side winning 4-3, it has been used many times to hold England Under 21 Internationals, as well as Rugby Union fixtures and became the central location for the 40th birthday celebrations of Milton Keynes in 2007.
