(See [www.mk4u.org](http://www.mk4u.org))

**IF: International Arts Festival** – A biennial festival in partnership with Arts Council England, the Stables and MK Gallery, bringing artists on a local, regional, national and international level to Milton Keynes for a programme of large-scale art experiences in Central Milton Keynes.

*World Picnic, Campbell Park*

The **Cultural Open Weekend** is another 2012 Olympic programme weekend that brings together organisations celebrating access to free culture across the UK. Heritage will join arts, sports, libraries, adult learning, and youth volunteering in Milton Keynes to do this. Key event planned is the big Musik4U music, sport and film festival down at Station Square.
