Milton Keynes had **Europe's first** purpose-built flying tunnel and biggest indoor real snow slopes – **Xscape's Airkix and Snowdome, Central Milton Keynes, 2000**

1,500 tonnes real snow, two 170m slopes, rock-climbing walls, bowling alley, 16-screen multiplex cinema, 13 bars and a night-club for 2000 – have drawn 3 million people. *'Milton Keynes is a great city with lots to offer'*
