

Traditional MILTON KEYNES

Looking ahead...

Archaeology Day

Saturday 13th November 2010

Based in and around the Central Library, Archaeology Day investigates the treasures and sites of significance beneath our feet, and the land and buildings around us. Part of the day brings people up to date with the latest developments on new housing sites; new finds are displayed and can be brought in for explanation as to what they might be; and talks, exhibitions, stands and children's activities add up to a remarkable discovery of what is beneath the surface of Milton Keynes.
