Why I Like Milton Keynes

Written by Cameron Wilson, Year 7

I like Milton Keynes because of its vast parkland, like the Blue Lagoon, Teardrop Lake, Willen Lake, Caldecotte Lake and Furzton Lake.

One of my favourite places in Milton Keynes is the Blue Lagoon in Bletchley. It is a nature reserve with a beautiful lake and large green spaces. I like to take our dog and go for walks around there with my family.

I like to walk around these places to see all the wildlife like squirrels, rabbits, rare butterflies and muntjac deer which were introduced by the Duke of Bedford. Milton Keynes is known as the green city because of all the trees and parks.
