How the Wolverton and Greenleys Young People's Volunteer Group Made a Difference...

Holy Trinity Church, Old Wolverton

There has been a place of worship on the site of the Holy Trinity Church at Old Wolverton for nearly 1000 years. The medieval church was rebuilt in 1809 -1815 with stone from Warwickshire and Staffordshire conveyed to the site by the new canal network. With its 17th limestone paving, medieval stone spiral staircase, stencilled wall paintings and stained glass window, the church is listed Grade 2.*

Number 4: What did we learn?

Ever since the **WaG** group started thinking about what they wanted to happen in the area for young people, they are now all firm friends and still welcoming other young people.

The group has its own facebook profile and meet every other Tuesday at Foundation House on the Square in Wolverton.

'We've made a presentation about the work we've been doing.

'We've answered people's questions about regeneration and planning.

'We've attended the Neighbourhood Action Group and given our ideas and thoughts about how to tackle problems in the community.

'And we've learnt about the wealth and variety of heritage in Wolverton, some of it hidden!'
