

MaD for WaG!

How the Wolverton and Greenleys Young People's Volunteer Group Made a Difference...

The Wolverton and Greenleys Young Volunteers outside Wolverton's Secret Garden

Number 6: What happens next?

The Council's Heritage Unit will use **WaG's** images and research with others to create a new Circular Trail D beginning and ending at Furzton Lake and taking in Loughton Valley, Wolverton, Stony Stratford, Watling Street and the North West of Milton Keynes – available Autumn 2008

The **WaG** group is involved in other heritage, sporting and cultural volunteering projects in Wolverton, and is part of a group to look at a new Trail E in 2009.

'With the help of Make a Difference, the group has combined volunteering hours of over 250!

'Plans for the future include: organising a football event, a music event and getting involved in the New Electric Picture Palace project.

'And we will look at a new Trail E for 2009!'

from Jak Richards, **WaG** member

With thanks for information to the Wolverton Society for Arts and Heritage and especially their researchers and writers: Geoffrey Ealden, Anna McEvoy, Julia Newman, Andra Roach, Peter Smith.
