

ONLY SIX DAYS TO GO.

A welcoming wave from part of the busy work force at Central Milton Keynes.

This, as they say, is the moment we've all been waiting for.

Central Milton Keynes opens its doors for the first time ever next Thursday.

Which puts you in a thoroughly enviable position.

After all, it's not everybody who has one of Europe's biggest, most spectacular shopping centres just down the road.

Central Milton Keynes is where you'll soon find over 130 of your favourite stores all under one roof—stores like John Lewis, C&A, Boots, Woolworths, British Home Stores and Waitrose.

It's where you can wander along sunny, marble-paved arcades away from the traffic and under the trees.

And where there's acres of free ground-level parking

space right on the doorstep.

Of course, not all the shops are open yet. But come on in anyway, and take a first look around your beautiful new High Street.

For the first time in your life, you'll be discovering shopping as it should be.
