Festive Road

High Tea on the Road

Discovering the perfect cup of tea

Festive Road's **'Brewing Up for 2012'** is an extraordinary three-year exploration to try and discover, through carnival arts, the specific qualities and conditions needed to make and enjoy the perfect cup of tea.

Over the last 12 months Festive Roads Willow Pattern Tea Set has appeared at events all over Milton Keynes and has toured across the South East. We performed at Celebr8, Wolverton Lantern Parade, for the Arts Gateway launch and ran for Sport Relief. The set travelled to Masked Balls in Northampton and in London. We took part in Luton Carnival, Isle of Wight Night Parade and also won the 'Most Dynamic Performance' award at Brighton carnival!
