# The Milton Keynes Mix

## A unique region's blend

# School Life – Priory Rise

Priory Rise School serves the communities of Tattenhoe Park and South Kingsmead although, until the housing is developed in these areas, children come from the wider area of Milton Keynes. The primary school opened in 2008 with three classes of children; as the area grows it will expand to cater for more than 400, including a nursery.

Children from many different backgrounds are learning and playing happily together – 15 different first languages are spoken and this diversity is a

great strength. In many ways, Priory Rise is a microcosm that reflects the diverse nature of schools across Milton Keynes and staff and governors are proud of the way the school has grown into an inclusive, happy and thriving community.
