Deanshanger: Other Village Sports

Darts

A prodigious number of Public Houses have existed in Deanshanger through the years, from which the Deanshanger Darts League was born. It was only in 1952 that an 'outsider', the Wicken White Lion's team, was accepted into the fold.

Angling Association

The Deanshanger club was one of 10 original groups affiliated to the North Bucks Angling Federation that took part in many matches country wide including the 'All England' eliminators.

Badminton, Skittles and Indoor Bowls are among the many other activities that have flourished within the village. Many began their life in the old Memorial Hall and the existing Community Centre.
