Leisure at Stowe Landscape Gardens: Now...

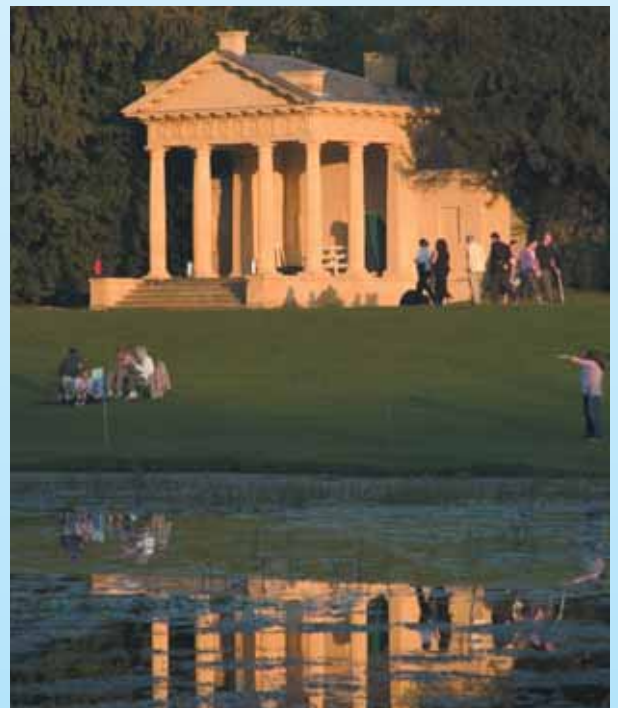

Today the gardens at Stowe are still a popular tourist attraction and you can still take a guided walk through the grounds – or in a batri-car, the modern day horse and carriage!

Visitors enjoy picnics by the lakes and in the valleys – much as their ancestors did all those years ago and the views are still as breath taking today as they were in the 18th century.

Stowe today has a number of events throughout the year, ranging from Food Festivals and Easter Egg hunts to Bat Detection Evenings and its very own 18th century day!
