2017 is the twelfth year that the Milton Keynes area will have celebrated Heritage Open Days. In 2006 there were 15 events held across MK – this year we have over 70 events to showcase our distinctive and world class heritage, arts and culture.

Over four days, from 7 - 10 September, there are many unmissable events taking place including activities for children and families. There are opportunities to come along to exhibitions, workshops, open days, craft events and performances. Suitable for all ages. And ALL events will be free.

Living Archive MK

Living Archive MK manages the Heritage Open Days programme on behalf of Milton Keynes Council and Heritage MK.

Heritage MK is a partnership of five museums and heritage organisations in the Milton Keynes area who work together to:

- Raise awareness of Milton Keynes’ rich history through events, exhibitions and promotional activities
- Inspire more people to enjoy and get involved with MK’s unique heritage
- Share resources and expertise in areas such as volunteering, learning, community engagement, collections care, governance and marketing
- Win public, commercial and charitable support helping to secure MK’s heritage for future generations
- Heritage MK’s partners are Bletchley Park, City Discovery Centre, Cowper and NewtonMuseum, Living Archive MK and Milton Keynes Museum.

This year Milton Keynes is 50!

Beginning on 23rd January, the actual designation date, and continuing through the year, a varied programme of activities has been taking place, showing off its unique design, architecture. Together we are celebrating Milton Keynes and its pioneers, creating shared memories and showing off its design, architecture, history, industry, green spaces, culture and people. The heritage of Milton Keynes and how it came to be are essential to the MK50 story and Heritage Open Days events across the city will contribute to our celebrations.
